

You can receive an appointment reminder to your email address, your cell phone (via a text message), or your home phone (via a voice message) before your scheduled appointments. You can also enjoy the convenience of online scheduling at any time. Once your account is established, you simply visit [www.schedule.care](http://www.schedule.care) to schedule or reschedule your appointments. You may continue to schedule appointments in person or by telephone, but if you have Internet access, you are sure to enjoy the convenience of this online system.

\_\_\_\_\_ Don't send reminders. I'll remember my appointments on my own.

NOTES: (1) If requested, appointment reminders are sent as a courtesy. Missed appointment fees still apply if, for any reason, the reminders cannot be delivered. (2) Appointment information may be classified as "Protected Health Information." By my signature, I am requesting that reminders be handled as I have noted above.

Please note if you send emails to me outside Therapy Appointment, these are **not** as secure and are more vulnerable to interception. Emails through this system are HIPAA compliant. If I send Dr. Atkinson an email through another platform, I accept and understand this risk.
